47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I chose Sonic in San Francisco because they are local and was cheaper than the major providers in the area for slower speed. Before I had sonic the only high speed option in my neighborhood was Comcast.

Fast affordable broadband is vital to my work and home use.

Thank you,
